

CAPTAIN GILOU's Snack Bar

Instructions!

We are going to try to make the operation of Captain Gilou's snack bar as easy and efficient as possible during the 3 days. All of the drinks and snacks available are listed on a voucher that can be obtained from the reception desk (see example shown below). Please take your time choosing what you and your family would like to purchase, away from the snack bar so as to allow other people access. Once you have made your choice, you can pay for your food and drinks at the cash desk.

With this paid voucher in hand, please come back to the snack bar and we will serve you your food.

Thannenkirch Days 1 and 2, there will be three different sales points:

General Food (Sandwiches, drinks etc....)

A beer bar, with both draft beer and cans of beer.

A pizza and tarte flambée bar (not on day 1)

Saint-Hippolyte Day 2, all sales points will be located together under the same tent, but the ticketing process will be the same..

Note: for pizzas and tarte flambées, you will be given a separate voucher redeemable at « le Fourmet »
